FINAL REPORT 1-1 February 2011. Chapter 1: Background and Planning Context 1.0 INTRODUCTION. The City of Jersey City is planning for substantial growth along its western waterfront (Hudson County, New Jersey) with a mix of new residential and commercial uses on former industrial sites. Major projects will include the new development of Bayfront, the new West Campus of New Jersey City University, and proposed improvements to Route 440.

Chapter 1: Background and Planning Context 1.0 INTRODUCTION

1.1 Context It is important to situate the events of November 10 in their larger context. I do not mean to suggest that there is a causal connection between this larger context and the specific events that took place on campus on that day. It would not be rigorous for me to draw this type of conclusion on the basis of the evidence I received in the context of my investigation.
