Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their mobile app called Libby.

### **2004 Nissan Sentra Service Engine**

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

### **Check Engine Light On - 2004 Nissan Sentra**

Your Nissan vehicle comes equipped with a service light which reads "service engine soon." This light warns you that there is a problem with the vehicle's emissions control system. This system is very important as it regulates and controls the air to fuel ratio as well as a number of other vehicle functions. A free diagnostic scan can be done to diagnose the problem at most auto parts stores.

I have a 2011 Nissan Altima. Service engine lights came on and I checked it . I have a code p0101 which is airflow meters. I replaced the airflow meter, reset the light. After driving about 200 miles the light came back on. I noticed that the idle is not smooth in slow traffic. I checked again I still got the same p0101 code.
