### 40 Rules for Internet Business Success: Escape the 9 to 5 ...

The rules of the internet were never intended to be actual law, so much as general guidelines, in-jokes, and clever axioms found amidst the internet community.Actually following the rules would be a joke unto itself, because, as Rule 15 says: "The harder you try, the harder you will fail." Some of the more popular and widespread memes have become memes of their own.
