This guide will hopefully help you, the good (sometimes) people of r/Fifa to feel the same way. Here are the types of players you want for each position. STs: For the 4312, I highly recommend using strikers with good pace, dribbling, and agility. This helps a lot with working the ball around under pressure, because players can make quick cuts and will control the ball more cleanly.

4312 formation guide (HysxteriA's) ... Really love this guide man! I actually found this formation much better for my playstyle than 41212(2) as I felt the latter puts too much defensive burden on the CDM. Was wondering if you guys can give some recommendations on the lineups I've been toying with a bit lately.

4-3-1-2 Guide I was inspired to jump into the 4-3-1-2 because I love messing with tactics, and I think CDMs are useless as destroyers in FIFA 14. I might as well have a great attacking midfield because when people counter the CDM is useless anyway and when they have possession my midfield is back there anyway.
