Affluenza (Audiobook) by Oliver James | Audible.com

In the bestselling Affluenza, world-renowned psychologist Oliver James introduced us to a modern-day virus sweeping through the English-speaking world how our obsessive, envious tendencies make us twice as prone to depression, anxiety and addictions as people in other developed nations.

The Selfish Capitalist: Origins of Affluenza by Oliver James

But it won't be enough. Because this is not, fundamentally, a technological problem. Nor is it, fundamentally, a political problem. This is a problem of appetites, and of narcissism, and of self-deceit. The planet is breaking, and it is breaking under the weight of our hunger for more. To reform the world, we must first reform ourselves." -- Affluenza.org This really resonated with me. It's so ...
