After a Google search, I chose Alta Language Services for my own testing needs because it is efficient and inexpensive. Alta Language Services, according to its website, is “a leader in language testing for government agencies and businesses nationwide” that “develops and administers thousands of language tests each year.”

## **Alta Language Services | Review**

The first step is to identify the performance levels. ALTA has developed a method for identifying levels of performance that are consistent with the complete range of language skill from no knowledge of the language whatsoever to a native level of ability. ALTA has identified both what a person at that level can do as well as the criteria for placing a testing candidate’s performance at each level.
