American Politics Is Now Democrats vs. Authoritarians

Two political parties, the Democratic Party and the Republican Party, have dominated American politics since the American Civil War, although other parties have also existed.

There are major differences between the political system of the United States and

American Politics Today by William T. Bianco

In Klein's view,
American politics is a
fight over group
identity and status,
and policy debates are
merely proxy wars in
the struggle for group
dominance. Voters are
voting on identity, and
the Left has mostly
failed to create a class
