I wouldn't buy the Bernette Deco 600,(it's not a Bernina),embroidery machine with a 4" x 4" embroidery field. Unless the "insanely low price" is 100 - 150 dollars with everything else I need included. Not for \$350, and a book of 3 embroidery CDs for an additional \$150. I wouldn't buy an older PC for that price either.
