Blood Angels Captain I did an entire article on the Odd Man Out himself the Blood Angels Captain, and how he really doesn't have a true place in the codex. I really did hope for 6th to change that, and while it certainly helped him, it also made him even further overshadowed by his Codex: Space Marine brethren.

The Blood Angels are an army fit only for the boldest of generals. Do you have what it takes to lead them to victory? Pros .

Currently considered one of the best melee factions in 9th edition. With the universal Astartes updates, Blood Angels now not only hit hard (thanks to Red Thirst), but also hit often - whilst the

Also, with 6th Edition out, make sure to check on the errata and FAQs that now apply. It's a good codex that brought a lot of changes to the Blood Angels, and even if you don't play, having their backstory (and even an understanding of your potential opponent's army) is a wonderful thing to have for fun.
