UN Women Branding Guidelines on Branding and Guidelines

The Purpose of Brand Guidelines Regardless of what you call them, brand guidelines are a tool designed to give your brand consistency and flexibility. Yes, they are often used by designers to make certain they're using the right fonts, color palette, and versions of your logo.

Brand Guidelines - What You Need to Include | Element Three

Using guidelines for logos, color, and font. Companies rely on consistency of color, font, tone, and more, to establish and protect their brand image and copyrights. Designers are artists, innately

geared to rebel. Brand guidelines are a useful tool in uniting the two parties. In general, brand guidelines provide specifications for these elements:
