### Design Is a Job by Mike Monteiro (2012-05-04): Mike ...

Mike Monteiro is a strong advocate for ethics in the design field, and I tend to agree with most of what he writes, including what he says in Design is a Job. But I have a serious issue with Mike Monteiro: he regularly jumps on Twitter and advocates for executing other human beings with a guillotine.

Design isn't just a passion, and you aren't a unicorn or a snowflake. Design is serious business. 'Design is a Job' by Mike Monteiro tries to help shift the idea of design as being some kind of mysterious magic and make it clear, whether design is done well or done poorly it has serious consequences for business and should be considered in that light.

### Design is a Job by Mike Monteiro - Book Review, Book Summary

Design Is a Job by Mike Monteiro My rating: 5 of 5 stars This succinct book is densely packed with sage business advice for designers (especially web designers). Monteiro rightly calls it "a guide to making a living as a designer", and shows that he has a lot of experience in the industry.

### **Design Is a Job by Mike Monteiro (Book Summary) | OptimWise**

I'm very excited for our latest release from A Book Apart available today, Mike Monteiro's Design Is a Job. I've been working in design a while now and good handbooks on how to do it right are few and far between. Years ago, I read Norman Potter's What Is a Designer, a thin yet surprisingly dense book that attempts to quantify this dear profession. There's truth to be found there, but the language is terse.

### **Design Is a Job, by Mike Monteiro | Jason Santa Maria**

Mike does a great job of summing up web design here. What I was surprised about is how he details how designers should work--it's almost as if the title should have been--design is a business. Great book!

His 2012 book, Design is a Job, was a love letter to hard work, self-awareness, and the importance of a good tailor. Mike cultivates his reputation around being serious about design, human rights, a damn fine joke, and the Phillies. His philosophy of supportive antagonism helps Mule create great internal and external projects.
