How The Poor Can Save

How the Poor Can Save Capitalism is intended to delivery the Memo to the teetering classes of American's (a term coined by Bryant to show how poverty knows no class or color). What an ambition! Through what his organization calls Project 5117, he plans to create the nation's first private banker for the poor, the working class and the struggling middle class.

How the Poor Can Save Capitalism. John Hope Bryant, successful self-made businessman and founder of the nonprofit Operation HOPE, says business and political leaders are ignoring the one force that could truly re-energize the stalled American economy: the poor. If we give poor communities the right tools, policies, and inspiration, he argues, they will be able to lift themselves up into the middle class and become a new generation of customers and entrepreneurs.
