Before a young person can compete to accrue human capital, they have to be part of a free society. The police exist in part to keep some people at the margins of that free society, always threatening to exclude them.

Kids These Days: A Billfold Book Review - The Billfold

Harris's new book, *Kids These Days: Human Capital and the Making of Millennials*, is a crucial work of generational analysis in part because it severs the connection between the idea of generations and the presupposition of progress. The book is not an explicit critique of this essentialist notion of generations, however, but something more practical: a corrective.
