A cliché of debatable validity. On one side, this phrase may be seen to be reassuring, allowing a person to accept the ills of their life, whatever those might be, with grace, knowing that with effort, or wisdom, those ills can be surmounted, or even changed into something positive. On the other side, this meaning can be seen to be irrelevant; the phrase ultimately becomes empty, asking a ...

Your life is what you make it. Your present life is the result of all the choices you have made up until this moment. You are the only one responsible for where you are right now, for how your life looks, for how you are being treated by those around you and for the level of happiness or unhappiness present in your life. You and only you.

the start. And perhaps you feel some predestination in your own life, too.

Life is what you make of it. But is it really? | by ...

Despite its ending, Life Is What You Make It is far from a filmy Hollywood romance in which the flight of the butterflies is interrupted merely for a few seconds because of a slight quarrel. Oh, no! The main protagonist here is not exactly appealing, and the reason for this is a severe ailment: bipolar disorder.
