That's what it was like for me with Book #2 in the serial series Social Media by J.A Huss as I love this author so incidentally, I brought all their books as soon as they were released - this particular one in 2014. For those who aren't familiar with this serial, it follows two characters @VaughnAsher and @FilthyBlueBird.

Like (Social Media #2)(10) J.A. Huss. The downtown office of Big Guys Events, of which I am now an employee, is run by Scott Baker and his brother, Blake. They own the Cherry Creek office too, but they call that one Little Lady Events, and it's run by the bitchy sisters, Leah and Ali—gag, they are a Mean Girls movie waiting to happen. I was ...

What makes social media unique is that it is both broad and relatively uncensored. While many social media companies impose some limitations—such as taking down images that display violence or nudity—there are much fewer limitations on what someone can share than there with other means of mass communication like newspapers, radio stations, and television channels.

Line (software) - Wikipedia

The development of social media started off with simple platforms such as sixdegrees.com. Unlike instant messaging clients, such as ICQ and AOL's AIM, or chat clients like IRC, iChat or Chat Television, sixdegrees.com was the first online business that was created for real people, using their real names. The first social networks were short-lived, however, because their users lost interest.
