M-Audio's Oxygen series have several models that vary in size: a 25-key, 49-key, and a 61-key version. For this particular review, we're going to take a look specifically at the 25-key model, even though most (if not all) of the features will apply to the 49-key and 61-key versions as well — the only difference is that the larger models have additional faders.
