In addition to standard interview questions, sometimes the MMI can cover scenario based questions. For instance, in a briefing at the start of the process you might be shown a video clip about something relevant to patient care. You would then be asked one or more questions about this at one of the stations.

Midwifery scenario interview questions can be terrifically hard to prepare for.

Admissions tutors usually ask you at least one of these 'how would you act in xyz situation' questions.

You have to think on your feet. You won't be 100% certain about your answer, and this can mean you freeze.
