Twenty years later, Philosophical Dimensions on Privacy is reassuring. Just as when the book came out, there are difficult challenges to privacy today. The fact that we survived the threats of the past gives us hope for the future. And the book allows the thoughtful reader to realize that privacy is bigger than the realistic threats that face us.

### Book Review: Philosophical Dimensions of Privacy

PRIVACY: PHILOSOPHICAL DIMENSIONS 201 This hypothesis about the cultural dispensability of privacy-norms is open to diverse kinds of responses. One obvious issue that the thesis raises is the empirical one of whether there are cultures in which privacy as such is not recognized and institutionalized. On a somewhat more theoretical
