Overview. Complex content-area texts are likely to present unique challenges for your struggling students and those with disabilities. The Common Core State Standards for English Language Arts (ELA) represent a shift in the way we approach reading instruction, particularly with regard to content-area reading in history, social studies, and science.

Supporting Reading in Social Studies | Reading Rockets

Social studies texts cover a large amount of information. A typical middle or high school textbook includes 800 to 1,200 pages of facts, anecdotes, statistics, questions, activities, and graphic images. Students have difficulty discerning which concepts to focus on and which are the most important to retain.
