Dreams!

Originally, the reason for Superman's abilities was not explicitly detailed - other than stating Superman is an alien. However, as the Superman character developed over the years, DC writers attempted to provide real world explanations for the hero's super powers, settling on the idea that Superman receives his abilities from stored-up solar

Markus A. Kassel

(Author of Real Life

Stronger And

Superman)

I've talked about

training to become

Batman in the past but

in that post I focussed

predominantly on the

athletic side of things.

Batman is about much

more than just physical

strength and athletic

pro prowess though: he's

also a genius polymath

and the world's
