**The History of Video Recorders and Television**  
Sales of video game consoles and cartridges plunged in 1983 and 1984. Many companies like Mattel and Magnavox discontinued their video game lines completely, while Atari, the leader in the field, struggled to remain afloat. Video games remained popular arcade features, but it seemed that the era of home video game systems had ended.

**Video Game History | Smithsonian Institution**  
Instant replay of action replay is a video reproduction of something that recently occurred which was both shot and broadcast live. The video, having already been shown live, is replayed in order for viewers to see again and analyze what had just taken place. Some sports allow officiating calls to be overturned after the review of a play.
