Note that because of the similarities between the two models, some elements of this article have been taken or adapted from our in-depth review of the SLT-A65's higher-end sister model - the A77. The Sony SLT-A65 was launched alongside the SLT-A77 - the long-awaited replacement for the DSLR-A700. Although somewhat overshadowed by its higher-end stablemate at the time of its launch, the cheaper ...

Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes.
