The .gov means it's official. Federal government websites often end in .gov or .mil. Before sharing sensitive information, make sure you're on a federal government site.

Unemployment Rates for States - Bureau of Labor Statistics

Costs Associated with DUIs. Any conviction of driving a motor vehicle while intoxicated is expensive. As the costs of court fines, hiked insurance rates, lost productivity, etc., add up, being charged with a DUI in most states is costly enough to equal the cost of the person taking a taxi cab across the country and back. The costs of getting a DUI vary from state to state and situation to ...

What Is the Financial Cost of a DUI?

One of the central goals in any scientific endeavor is to understand causality. Experiments that seek to demonstrate a cause/effect relation most often manipulate the postulated causal factor. Aarts et al. describe the replication of 100 experiments reported in papers published in 2008 in three high-ranking psychology journals. Assessing whether the replication and the original experiment ...
