The Art of Star Wars: The Force Awakens by Phil Szostak ...

The Art of Star Wars is a series of books by various editors featuring concept art from the Star Wars motion picture saga. The books mainly feature artwork accompanied by a short explanation of the scene and the artist's ideas, but also script notes, posters and other information. The first books were published by Ballantine Books, a subsidiary of Random House, with later editions appearing under the DelRey and LucasBooks imprints. Later titles were published by Harry N. Abrams. The Art of Star

The Art of Star Wars - Wikipedia

Shelves: animation, art, star-wars The book covers the development art from the Clone Wars movie and the first season of the TV show. A short preview of the second season is also provided. This is a great art book because it has a lot of character concept art and world concept art.
