The Billion Dollar Spy - IMDb

The Billion Dollar Spy or "the man who ruined the Soviet warplane industry in less than a decade"

The Billion Dollar Spy - Espionage&

As is the style of histories published these days, The Billion Dollar Spy opens not at the beginning of the story but with a dramatic event briefly recounted—in this case, a CIA officer's attempt in December 1982 to recontact Tolkachev, who had not been able to communicate for several months. This anachronistic approach works—the vignette is gripping and very effectively draws the reader into the stressful, high-stakes business of clandestine intelligence operations.
