comprehensive survey of the entire history of the British empire. Avoiding the polemics or apologetics that were inevitable when the empire was still at the centre of political controversy, T. O. Lloyd describes the full sweep of expansion and decolonization from the voyages of discovery in the reign of Queen Elizabeth I to the achievement of independence in the second half of the twentieth century.

The Edwardian era or Edwardian period of British history spanned the reign of King Edward VII, 1901 to 1910, and is sometimes extended to the start of the First World War. The death of Queen Victoria in January 1901 marked the end of the Victorian era. Her son and successor, Edward VII, was already the leader of a fashionable elite that set a style influenced by the art and fashions of ...
