I picked up The Copper Promise as part of Fantasy-Factor's monthly book club, and wasn't disappointed. The Copper Promise (The Copper Cat, #1) by Jen Williams

The Copper Promise doesn't read like a full novel; many reviews have mentioned this, but it is a collection comprised of four novellas bundled into one. The odd structure of the "novel" was easily the biggest downfall of the book for me.

The Copper Promise by Jen Williams book review - Novel Notions

The Copper Promise is a swords and sorcery romp across a world containing monsters, gods, magic and demons. The story is fast paced and quirky but with some darker moments. I can't say the plot of this novel is breaking the rules of the genre, but then it is quite clearly not trying too.
