Bill Gates looks back at 'The Road Ahead' after 25 years

...

The Road Ahead is largely about what he has experienced and what the world might look like from his perspective in the 90s. Some of it came true, although from his company, and while that may be interesting to some (at times to me), it does seem to be a 'thing of the times'.

The Road Ahead: Completely Revised and Up-to-Date: Gates ...

The road ahead of me stretches out, over hills and around corners. I've been on this rough, gritty path for what seems like forever. Despite the fatigue in my body and my brain, I've no choice but to keep plodding onward. There've been obstacles,
