Like, "If we can't describe our reality accurately, we can't see it." — Paolo Bacigalupi, The Water Knife. 17 likes. Like. "People only really live when they're about to die," he said. "Before then it's all a waste. You don't appreciate how good it is until you're really in the shit."

The Water Knife Quotes by Paolo Bacigalupi

According to Paolo Bacigalupi, the future is right around the corner, and there's very little left to distribute at all. In the future portrayed in The Water Knife (2015), there's only one form of currency that really matters: water.

Review: The Water Knife by Paolo Bacigalupi | Grimdark ...

I'm living in the fourth year of the California dry spell, so to me Paolo Bacigalupi's sci-fi thriller The Water Knife paints a very plausible photo of an American Southwest achieved by environmental change. Rain becomes scarce before it achieves the ground. The Water Knife Audiobook Free Online.
