Book reviews on www.snazzybooks.com

The Year that Changed Everything is a feel-good novel about three women, all with the same birthdays but each 10 years apart, and each with their own problems. It addresses various themes, including (and I don't feel that including these ruins the plot as you know or can easily see what's coming with these themes pretty early on): body image & positivity, post-natal depression, betrayal, family life and much more, all wrapped up in this positive, warm read.

The Year that Changed Everything by Cathy Kelly

1660: The year that changed everything. In terms of sheer impact on the ordinary people of England, Charles II's restoration in 1660 is eclipsed only by the events of 1066, writes Ian Mortimer...

Happy COVID Birthday: The year that changed everything. On 20September2020. By Heather. This post is a little different than I usually write. But as it is my birthday, I can do what I want. This is not a milestone birthday for me, although it leads up to a big one next year. Things have changed quite a bit this year for me as it has for everybody. Heading into a new year, I'm reflecting on all the changes I've made, how I'm reacting to the world situation always in flux during 2020 ...

About the 2020 Election | Time

The year when Jewish history stopped and began again in a totally different way was the year 70 CE, when the Romans destroyed the second Holy Temple in Jerusalem and sent the people of Israel into exile. This was a before-and-after moment. Everything that we are as Jews today is an echo of this event.

The Year Everything Changed - Moment
