Limited Liability Company - gov.ms

The limited liability concept is applicable for all business types except the sole proprietorship. A sole proprietorship doesn't separate the owner from the business, so the business' liability is the owner's, with no limits. That's why most businesses prefer to limit their liability by forming a corporation, LLC, or partnership.

What Does Limited Liability Mean?

A limited liability company (LLC) is a hybrid legal entity having certain characteristics of both a corporation and a partnership or sole proprietorship (depending on how many owners there are). An LLC is a type of unincorporated association distinct from a corporation.
