A real FrontPage timesaver is to use the Get Background and Colors from Another Page check box in the Background tab of the Page Properties dialog box. This copies all the color choices and the background image from another page into the current one. It's very handy for keeping your pages' appearance consistent.

You have no idea of the versatility and power of FrontPage until delving into Special Edition Using Microsoft FrontPage 2000. The only reason I didn't rate it 5 stars is because of the clunky, cheesy, shovelware CD in the back of the book. There are only two other FrontPage books I'd recommend: FrontPage 2000, The Complete Reference and ...
